

„He will place the sheep
on his right, but the goats
on the left.” (Matth. 25,33)

Dear GPC-network!

What a wonderful conference in Krakow we had! What a powerful start into the 100 days of prayer! We pray and trust that also for you the first steps into the 100 days were blessed and anointed!

The Krakow-conference

About 300 participants came – more than planned and expected! About 25 nations of all 5 continents were represented (we even had a couple from Australia and 2 participants from Brazil!). The largest groups came from: Germany, Poland, UK – and South Korea (37!). And we experienced a beautiful spirit of unity, prayer, worship and deep processes of repentance and revelation.

Auschwitz

For most of the participants it was the first time to visit Auschwitz-concentration camp on January 26, 2015. Having come to a place of understanding that Auschwitz and the Holocaust to a large degree was the fruit of 1800 years of Christian anti-Semitism in Europe, the impact was profound. May God help us to overcome this traditional (and partly still present!) blindness in the church concerning God's love and our divine connection with the Jewish people in order to be able – together with Israel – to become a light of orientation for the nations in our confused times.

The commemoration concert

It was a very special moment when at the evening of the 27th of January we as Christians from around the world could join with the Jewish community of Krakow for a commemoration concert – exactly 70 years after the liberation of Auschwitz. It indeed was a moment of public repentance, reconciliation and healing! For more information on the concert, we are recommending the monthly newsletter of ECI – the patron of that concert – from February 2015: To subscribe send an Email to: info@ec4i.org. Information about the ECI on: www.ec4i.org

100 days – in full swing

Inspired by these experiences and equipped by messages from Sister Joela (Germany), Henryk Wieja (Poland), Benjamin Berger (Israel), George Annadorai (Singapore), Willem Glashouwer (Netherlands), Rick Ridings (Israel), Chuck Pierce (USA), Tomas Sandell (Brussels / Finland), Markus Ernst (Switzerland) and Harald Eckert (Germany), the participants went back to their nations to pick up the 15 weeks / 100 days of prayer and promote them in their sphere of influence. Together with you from around the world the 100 days of prayer is gaining a great momentum. In Germany alone the 100 day prayer guide was printed and distributed 15.000 times within 6 weeks! In Indonesia around 500 churches in all larger Islands are involved! Etc...

Africa and USA

I (Harald Eckert) am currently travelling in six nations in Africa (Uganda, South Sudan, Rwanda, Nigeria, Ghana, Ivory Coast) in order to strengthen the Global Prayer Call within this praying continent. In early March I will be in the USA to connect with prayer networks there. The Lord is opening amazing doors!

Moving towards the climax

As the "100 days prayer movement" is building momentum, the focus is moving more and more towards the final climax:

- The "Global Prayer Day" of May 8 (Russia: 9)
- The **GPC-conference in Jerusalem**
- The **tours** connected to the conference.

A number of tours from different nations and ministries are in preparation. From the GPC side we are offering two tours especially for individuals or small delegations that do not have the chance to join one of the larger ones: One tour in connection with ECI – focusing more on the geo-political, diplomatic challenges for Israel. The other tour is led by C4II, focusing more on "traveling the land with the Bible in the hand".

Global Prayer Day

As far as the Global Prayer Day is concerned, we are preparing special information to be published around second half of March. But please consider prayerfully even now, how you can build up interest and logistics for a "grand finale" at or around May 8!

Two GPC-tours

For further information on those two GPC tours please check the following link where you find all relevant information and links for registration: <http://bookings.www.travel/gpc2015> And if there are questions left, you also will find an address to turn to there!

The GPC-conference in Jerusalem from May 10-13

After the beautiful conference in Krakow the interest for the conference in Jerusalem has grown rapidly. The speakers and the leadership team will be more or less the same as in Poland with a few changes here and there. The number of rooms / beds for the complete conference package is strictly limited! Therefore we encourage you to register as soon as possible. Otherwise there may come a point, where we have to ask you to look for your own accommodation. For more information and for registration please go to <http://bookings.www.travel/gpc2015>

Finally: Prayer, prayer, prayer!

We are reminding you that we have good prayer material available for you to make use of a) for your own prayer b) to inform and encourage others:

- Weekly **video-clips** highlighting the prayer topic of the week on Facebook and per mail!
- Our **6+6+3 prayer guide** and invitation-poster for local prayer meetings!
- And for those who want to go deeper: Time and again the **GPC-book** proves to be a great source of information and revelation! (We are now going into our third print in English!)

Please also be aware of the following prayer topics. The GPC is not without challenges and opposing forces. Please continue to pray for Harald, the leadership team and the ministries behind the GPC

Shalom and God bless, Harald Eckert (GPC initiator and coordinator)

Prayer Points

Please thank the Lord for the Krakow conference:

- for the anointing to repent, confess and ask forgiveness
- that everything came together well: the programme and speakers, the visit to Auschwitz and the concert,
- for the almost 300 intercessors from 25 nations

Please pray:

1. For the nations that were represented in the conference in Krakow:
 - for the Lord to guide and strengthen every effort to promote the GPC 100 days of prayer,
 - for the Body of Christ to understand the importance of blessing Israel and the Jewish people,
 - for national leaders in politics, media and culture who speak up against Antisemitism and in support of Israel.
2. For the further expansion of the Global Prayer Call:
 - for the translation, printing and distribution of the book *Israel, the Nations and the Valley of Decision* in many languages and nations,
 - for the GPC vision to spread to many more nations,
 - for a "Daniel" anointing for believers in many nations to humble ourselves before the Lord, asking forgiveness for ourselves, our leaders and our nations on account of our sins against the Jewish people and Israel, appealing to the Lord's grace and forgiveness for His Holy Name's sake (Daniel chapter 9).
3. For the Lord to continue pouring the Spirit of grace and supplication on the Body of Christ in all nations to come before Him during the 100 days of the Global Prayer Call.
4. For the Temple Mount in Jerusalem to become everything the Lord has intended and purposed: to be the Place where He, and none other, is to be worshipped.
