

„He will place the sheep
on his right, but the goats
on the left.” (Matth. 25,33)

The Masterplan is evolving

Dear friends!

By now we have three major events behind us, which have helped us very much, to further clarify the vision and to start the process of implementation: a) Our strategy meetings in Jerusalem, April 21-23 and b) a leadership conference of Christians for Israel International in the Philippines with leaders from 7 Asian nations, where the GPC could be introduced and prayed for, c) and two Pastors-Conferences on the **Global Prayer Call** in Hyderabad, India. With those three very helpful and productive events, the Masterplan for the Global Prayer Call has sharpened. Here are the key components:

Pastors-Conference in India

- 1) The first 3000 copies of the [GPC-book](#) in hard copy have been printed – 2.000 in Europe and 1.000 in Asia. They are in the process of being distributed and the first response is very encouraging. The book, together with the website, really seem to be the main tools to spread the vision and the strategy. Therefore:
 - a. We see the **translation** of the book into a number of key languages as a key priority. (see right column)
 - b. After translation and printing distribution is the next main task. The emphasis should be distribution amongst
 - i. prayer leaders and
 - ii. intercessory movements
 - c. Along with the translation of the book in different languages, also the [web-site](#) must grow into different languages.
 - d. Ideally the same is true for the [newsletter](#).
- 2) In order to implement and coordinate these and other important tasks, a **leadership team** has to develop further. As we see it, this needs to happen on two levels:
 - a. On a **regional** level, namely through regional coordinators. Their main task would be to coordinate all GPC-related activities within their world-region.
 - b. On the level of **expertise and know how**. We are now working on clarifying different levels of responsibility and are in contact with people who might be willing and able to take certain positions.

Book Translation

The book is currently in the process of being translated into the following languages:

- Spanish (Heriberto Gonzalez)
- Swedish (Philip Holmberg)
- Russian (Lina Aliv/Ebenezer)
- Polish (Irina)
- German (Harald Eckert)
- Romanian (Tudor Pedan)
- Korean (Paul Jung)
- Hindi (Ravi Sundar)
- Telugu (Ravi Sundar).

We are still looking for translators into:

French, Chinese/Mandarine, Bahasa, Japanese, Arabic, Italian, Portugese and Hungarian.

Prayer Points

1. The Lord's protection over Harald and the core team, as well as their families.
 2. That the vision for GPC will be taken up by intercessors and prayer partners in C4II, ECI and EEFI.
 3. That the Lord will give the right connections to global and national prayer networks.
 4. For the translation of Harald's book into several languages
- [complete Prayer Letter click here](#)

3) We are in the process of clarifying further the **key dates and the key events**, such as:

a. The **conference in Poland (Krakow/Auschwitz) from Jan. 25-29, 2015**. We are expecting delegates of 2-4 leaders from 50+ nations. They should mainly be leaders of prayer- and/or church networks who would be able to communicate their experience in Europe / Poland to their movements in an authentic and inspiring way.

Auschwitz-Birkenau

b. The **conference in Jerusalem from May 10-14**. We are strongly encouraging spiritual leaders from outside of Europe to consider a combination of the conference from May 10-14 with an Israel-tour before or after the conference. They should connect with an experienced travel agent in their region which in turn connect with KESHET (www.keshetisrael.co.il) travel agency in Israel for the land program in Israel.

c. **Jan 27, 2015 should be a global day of prayer** with regard to the suffering of the Jewish people and Israel, our Christian indifference in their time of need and our biblical mandate to comfort the Jewish people: *"Comfort ye, comfort ye, my people..."* (Jes. 40,1) – *"Pray for an outpouring of God's love for Israel into the hearts of us Christians and in our Christian churches – 70 years after the deliverance of Auschwitz concentration camp!"*

d. **May 8/9, 2015 should be a second global day of prayer with regard to our nations** and their relationship to the people of Israel according to the biblical prayer: *"Hear the word of the Lord oh ye nations"* (Jeremiah 31:10). *"Pray that the heart of your nation will be strengthened or turned towards Israel in their time of global isolation, defamation and demonization 70 years after the end of the Holocaust which only could happen because the nations turned their eyes and hearts away at that time."*

e. Between those two key dates, spiritual leaders and intercessors in every nation should **develop their own individual strategies** to encourage collective and strategic prayer for your nations with regard to the Jewish people and Israel in the end-times. Wherever possible those dates should be communicated (also) through our GPC-website in order to help interested people in the area to connect.

4) Dear friends: Please start to include the GPC into your prayer life! You may find it helpful to receive our first **GPC-prayer letter** which is available through our GPC prayer coordinator, Philip Holmberg (Chairman of Ebenezer / Operation Exodus International, Sweden). For a first orientation please also look at the right column on page 1 of this newsletter.

We are asking you to pray and think along and help us with constructive ideas and suggestions in order to develop the GPC into a spiritual movement that will touch our nations for the blessings of Israel. And: Please share this newsletter with whoever may be interested!

In HIM,

Harald Eckert

(GPC-coordinator)
