The Global Prayer Call 2015 goes Grassroots!!! ... and you can be part of it!

Dear spiritual leader! Dear Apostle and Pastor! Dear Intercessor!

The *Global Prayer Call 2015 (GPC)* is mushrooming! The GPC goes grassroots! After translating the *GPC* book in about one dozen languages (see list at the right) the phase of mushrooming and multiplication has begun:

- **Over 50 nations** have committed to be involved in one or another way. With your help the *Global Prayer Call* can grow up to 100+ nations!
- In many nations **prayer leaders and intercessors** are picking up the “Call” already and are growing in prayer a) for Israel and b) for their nation to be or become a blessing for Israel (Genesis 12, 3). Are you one of them?
- The *GPC*-core-material is translated and produced in more and more languages. Are you willing to help by distributing the material in your area of influence?

The *GPC*-core-material is consisting of:

- *GPC*-Flyer
- *GPC*-Poster
- *GPC*-Videoclip
- *GPC*-Prayer Guide
- *GPC*-Conference information (Poland, Israel)

Please check our website and please check your national flag. Where there is material in your language: Please spread! Where there is not: Can you help with translation?

If you have any question concerning coordination on a national level – please contact our *GPC*-manager of national coordination: Marcella van de Bovenkamp (marcella_bovenkamp@hotmail.com)

If you have any question concerning translation and development of *GPC*-material in your language – please contact the *GPC*-vice-coordinator Marie-Louise Weissenböck (info@israelaktuell.at)

For more information please check our website www.100-days.eu

Testimonies

Oct 17-21: Jakarta, Indonesia

All the ministry times in Jakarta have been very blessed and spiritually intense and alive by the presence of the Holy Spirit. Be at the teaching session on Romans 11 in the bible school with 300 students participating, be it with the seminar in one of the leading churches in Jakarta (with a network of 800+ churches throughout the country attached) or be it with the two church services on Sunday. People carry a natural and deep good attitude towards Israel; prayer for Israel as a natural part of their prayer lives and the desire to learn more about Israel from the bible is obvious and serious.

The openness for the *Global Prayer Call* was amazing! In the leadership level everybody seems to understand and in principle support this prayer initiative. Brother Ivan was encouraged to take on the coordinators role for the *GPC* for Indonesia. We pray that others from other major islands will support him.

Oct. 22-24: Fiji Island and New Zealand

We had an excellent one day conference with about 70-80 people present, many of them full time people, missionaries, leaders. Some from far-away places like Samoa or Tonga. Everything was prepared and organized well. Almost the complete board of *C4I New Zealand* was present and involved in the presentations. There is a history of national friendship and solidarity with Israel, influenced by the Christian history and presence on the Island (about 50%). The new government is under pressure (partly from the Moslem side) to distance themselves from Israel. This is why the *GPC* was received very positively.

A Christian leader (Lepani) was appointed both as *C4I* representative and as *GPC* coordinator in Fiji.

Oct 24-27: Monterrey, Mexico

The Ebenezer-Team in Monterrey is amazingly strong, well – positioned and well organized with influence far beyond Mexico. The Ebenezer prayer coordinator (Enrico) for all of Latin- and South-America is from the team in Monterrey. They also have good connections to the Hispanic community in Texas, USA.

I was the final speaker of the Ebenezer conference on the theme of the *GPC*-book: "Israel, the Nations and the Valley of Decision". The book was translated and printed right before the conference, widely announced and sold. The message was received with great openness. Especially the Ebenezer-leaders felt they should fully support it, pass it on to the pastors in the city and to their network-connections in Spanish speaking Central and South America, hopefully opening more nations for the *GPC*-movement and vision.

The two speaking opportunities in local churches (one 1000+ attendance, one about 150) confirmed and undergirded that momentum. A team of five was formed for the *GPC* development in Mexico and beyond under the leadership of pastor Heriberto Gonzales, one of the national leaders of Ebenezer.
